Subject:

Approval to waive fees based on the recommendation of Utility Review Committee

Background/Alternatives:

The Utility Review Committee was established to give citizens the ability to dispute their utility bill. The committee is designed to run in a hearing process so the citizen can discuss their concerns and the City staff can discuss their concerns to a more independent group. The committee is made up of the City Administrator, Finance Director and the Public Works Director. The Committee recently met to review disputed bills. It is recommended to partially waive fees on three accounts.
