**D. REQUIREMENTS**

Please review the following requirements and **initial** on the line provided to verify understanding.

\_\_\_\_\_ No work may begin prior to the issuance of this permit.

\_\_\_\_\_ Provide a site plan showing both the existing structures that will remain and the structures to be demolished along with the location and size of each structure.

\_\_\_\_\_ Provide photos of each side of the structure(s) to be demolished; the front photo needs to show the entire front of the structure that is visible from the street.

\_\_\_\_\_ Contact the State of Wyoming Air Quality Division prior to demolition at (307) 777-7391. They have requirements for asbestos demolition and renovations.

\_\_\_\_\_ Sign offs as required in Section E of this application.

\_\_\_\_\_ Before demolition an inspection to verify that all utilities are properly shut off shall take place by the City of Green River Building Department. Call 307-872-6140 to schedule inspection.

\_\_\_\_\_ Demolition of structures shall be completed within 45 days from the start of demolition.

\_\_\_\_\_ The demolition site shall be backfilled, leveled, and cleared of all building debris within 60 days after demolition. If new construction is to commence on the site immediately following the demolition, contact the Building Dept. to establish a demolition and construction schedule.

\_\_\_\_\_ Safety & security of the site shall be the applicant's responsibility.

STAFF USE ONLY:  APPROVED  DENIED  By: \_\_\_\_\_

Fees Collected: \_\_\_\_\_
