- All start times on the schedule are merely estimates. **Teams should be ready to play immediately after the proceeding match even if it is running ahead of the estimated start time.** If a team is not present for the match, after the 10-minute warm-up period, their 1st game shall be forfeited. If another 10 minutes pass, the team shall forfeit their 2nd game, even if the games are running ahead of estimated start times. **This rule also applies to teams scheduled to officiate.**
- There will be no shuffling of teams unless deemed necessary by the Tournament Director.
- Practice balls and Game balls are provided every year. If both teams agree, you may use a ball from either opponent to play. If the teams do not agree, you will use the provided game ball for play. Please ask staff if you do not know where the balls are located. Do you prefer a type of ball you wish we provided for the game ball? We are open to suggestions. Please leave the information on the survey we provide every year for your feedback. Survey information can be found in the final bullet below.
- Please self-regulate those on your roster playing Saturday and Sunday. If someone is playing Sunday that isn't on your roster, we will have issues. We will only enforce this if the person is NOT on your roster. Please make sure they are on your roster and there will not be any issues.
- The award for the 2023 1st and 2nd play teams will be Volleyball Equipment as requested by YOU!
- We will have a photographer around on the first day to take pictures of your team and take photographs of the play. We will show those pictures on the TV in the hospitality room on Sunday.
- Care to share information with the tournament director on how to help improve the tournament? The 2022 survey can be found on the City of Green River's Website: <https://wy-greenriver2.civicplus.com/627/Tough-Turkey-Volleyball-Tournament>
